What's in the barrel?

Mother Nature tried her best to derail the 2010 harvest with a cool summer, late heat, and early rain, but the grapes prevailed! The 2010 Pinot, Cabernet, Merlot, and Chardonnay will all be quite tasty with a nice blend of tannins, oak, and perfectly ripe fruit.

Award-winning wine

The results are in, and Villa del Monte wines placed well at two recent competitions: 2010 California State Fair and 2010 *WineMaker* Magazine. We are pleased to have received awards for these wines:
